WORLD ENERGY COUNCIL

The International BALKANMINE Congress Coordination Committee and the Romanian Organizing Committee of the 6th BALKAN MINING CONGRESS, are very pleased to cordially invite all the scientists, researchers, managers, engineers and students working in the mining field, from the Balkan region and from all over the world as well, to give their scientific contribution to the success of the 6th BALKAN MINING CONGRESS which will be held during 20th-23th of September 2015 in Petroșani, Romania, with the theme „MINING FOR THE WORLD'S SUSTAINABLE DEVELOPMENT“. It will be an outstanding opportunity to meet and exchange new ideas, to have fruitful and interesting professional discussions besides getting in touch with an old mining town, placed in the picturesque Jiu Valley. We hope that we will turn our meeting into a remarkable scientific success, which will enrich our professional expertise and will bring us wonderful remembrances.

Looking forward to seeing you in Romania!
